JOB DESCRIPTION

Business Function

Group Finance aims to deliver world-class standards in reporting, financial planning and finance processes. We provide insights and analyses that help the bank make sound business decisions - whether in the areas of product development or customer profitability. We also provide capital management, business planning, forecasting, and tax and accounting advisory services.

The bank is also a certified Accredited Training Organisation (ATO) for the Singapore Qualification Programme by the Singapore Accountancy Commission and an Association of Chartered Certified Accountants (ACCA) Approved Employer.

Sentosa

Accountant - General Ledger

Sentosa

Job Description:

COMPANY OVERVIEW

Be a Travelodger...

We love what we do and every day is about building incredible brands. It's all about making a difference and frankly, we like pretending we're on holiday. That's just how we put ourselves in the shoes of our guests to deliver the right experiences every time.

We won't deny the hard work involved, and there will be lots of it, but we can assure you of the rewards: an opportunity to be involved in the growth of a recognised brand, training and development, and a chance to have your voice heard.
